## DEAR BUSINESS NEIGHBOR,

For over 45 years, Smoothie King has been blending delicious nutritious smoothies to support a healthy lifestyle and we now offer catering with convenient delivery through ezCater. We invite you and your employees to experience Smoothie King and taste the difference!

We are committed to blending a cleaner, more nutritious smoothie with more whole fruits & veggies. It's all the flavor you want, and none of the added sugar and artificial colors, flavors, or preservatives you don't. All our blends have no trans fat, fructose corn syrup, hydrogenated oils or NSF banned substances. Smoothie King is ensuring we offer smoothies that are vegan, dairy free, gluten free, soy free, and low fat. They're not just good. They're good for you. We hope to inspire you and your employees to live a healthy and active lifestyle. Try something new for your office or group. Order smoothies for an afternoon treat, breakfast meeting or even lunch! For more information please visit [SmoothieKing.com](http://SmoothieKing.com) and click on the CATERING link.

Sincerely,

Your friends at Smoothie King
